

SYC Opening Work Party 2024

**Join your fellow members for our
"Opening the Club" Work Party**

Saturday, May 4th, 8:00 am

Saturday, May 11th (Rain Date)

Coffee and Bagels will be served.

***We need all hands on deck to help prepare the Club
for a successful 2024 season.***

We look forward to seeing everyone!

As you are aware, the Club operates with many volunteer Members and very few staff. This structure has kept our seasonal Club affordable so that our families and individual members can maintain their membership and enjoy the privileges of membership. We understand that many members might be away during this time and unable to join in physically, so we have included an option for you to contribute via a voluntary donation. This gesture supports the efforts of your fellow Members and offsets the growing costs of hiring outside contractors to perform some of these tasks.

Our Board of Governors thank you in advance for your consideration in assisting with your Club's good upkeep, and we look forward to sharing our 2024 activity schedule in the upcoming months so you can prepare for a fantastic summer season!
